

# **CRAFT AND TEXTILE DESIGN DEPARTMENT**

**College Of Arts & Sciences  
University Of Jhang**

**ADMISSION  
OPEN  
TILL 5  
NOVEMBER 2021**

# **VISION OF DEPARTMENT**

**Our vision is to represent the diverse artistic traditions, for the inspiration and education of the public in accordance with our profession's ethical standards and practices. The mission of the Department is to formulate an artistic and educational community that values creativity, innovation, and conceptual tracks in Art & design.**

## OBJECTIVES

The Craft and Textile Design is an innovative honors degree program that offers learning opportunities in multi fields of art. This degree is suitable for a wide range of professional needs in visual cultures. The students are encouraged to think, create and reflect. They are prepared to play an active role in industry and academia. In a small town like Jhang, people will be motivated to think about art and design by having this discipline in their city.

# We offers 4 year degree programs in Craft &Textile Design

Our curriculum is designed to make students learn about the history of textiles as well as the theoretical concepts of aesthetics and touch that underlay the field .we train our students develop an understanding of texture, color Pattern and Design. The department has an environment where Students enhance their artistic skills in ,ceramics, weaving, Calligraphy, photography, drawing, and learn good communication skills, presentations and explore various techniques of textile manual and computer design.
