

Study Tour to NCA Lahore – Textiles Degree Show

On 25th January 2025, a group of students from the Art and Design Department, with the support of the Vice Chancellor of the University of Jhang, visited the National College of Arts (NCA) in Lahore to attend the *Textiles Degree Show*. This event showcased innovative techniques and designs by NCA's graduating textiles students, offering the visitors a comprehensive insight into the latest trends in textile design. The students were captivated by the diverse displays of textile products, concept-based paintings, sculptures, and other creative artworks, which significantly broadened their perspective and understanding of contemporary art and design.

Additionally, a special lecture was arranged by Dr. Ummer Hameed, an NCA thesis supervisor, who provided invaluable guidance on thesis preparation and presentation. His interactive session helped the students gain a deeper understanding of how to approach their own research and projects, emphasizing the importance of crafting compelling narratives and presenting ideas effectively.

This enriching experience was made possible by the Vice Chancellor's vision, which allowed students to engage with NCA graduates and gain insights into the artistic and technical aspects of the textile discipline
